From my early college years, I knew it was all about boobs.

I didn't have any in high school, and had to literally stand by as a parade of busty girls paraded down the hallways, or posed chests pushed out, in front of their lockers. During college, mine suddenly bloomed and kept blooming.

Alexis

Guys can't stop looking and now I'm the one that girls look at walking down the street. My boobs make me feel good, and that is the most important thing of all. Especially when I'm lying in bed naked with my lover.

OPERATION: MIDNIGHT CLIMAXXX

Working for the Central Intelligence Agency during the sixties was a trip.

Pun intended.

As an agent affiliated with Operation Midnight Climax, I observed some really wild shit. This top-secret experiment took place in the Haight-Asbury section of San Francisco, the ideal location in which to learn as much as possible about the effects of LSD. A relatively new drug at the time, acid was, more or less, an enigma. The CIA was tasked with determining if the substance could benefit the government's burgeoning mind-control program.

As a field agent, I was stationed at one of several "safehouses" located throughout the city. These sites were actually brothels staffed with prostitutes recruited off the streets. A working girl would lure an unsuspecting john to the brothel where he was dosed with LSD and observed through a two-way mirror.

My job was a voyeur's dream. I sat there on a comfy sofa, hour after hour, watching couples fornicate. I was getting paid to view live sex shows.

Talk about a plum assignment!

Of course, I was also getting paid to take detailed notes regarding any and all post-coital conversations.

Prostitutes were instructed to pump johns for personal information, getting them to talk openly and freely about hidden aspects of their lives. Plied with sex and a mind-altering drug, most johns were forthcoming. One guy copped to embezzling thousands of dollars from his employer; another, a highly successful attorney, confessed to cheating on the California Bar Exam.

Mine was a highly entertaining job. Eye-opening, to say the least. I never knew what the day would bring. And the perks—man, did I have it good!

When business was slow the girls were more than willing to dole out freebies to agents. We were like one big horny family. I indulged often. Endless pussy. If business was booming, I found myself in a constant state of arousal. Watching people fuck all day gave me a perpetual boner. I became a whiz at jerking off, perfecting the art of masturbation.

I wasn't married at the time, didn't even have a steady girlfriend, so the gig was a perfect match. It filled a sexual void in my life.

My favorite girl, by far, was Cheyenne.

A smooth operator, Cheyenne. The way she would deftly spike a cocktail before handing it to a clueless john never failed to impress. She was a natural spy. I

could watch her work all day. And often did. When we weren't fucking.

The first time was most memorable. I was sitting on the sofa in the observation room, my eyes trained on the drama unfolding on the other side of the glass. Resplendent in a short skirt and tight-fitting blouse, Cheyenne negotiated price with the horny sailor. She offered him a drink, but he declined. Some johns didn't take the bait. No big deal. Money was exchanged. Cheyenne tucked the cash in her clutch and proceeded to strip.

"Don't be shy, sweetie," her voice came through the speaker as she spoke to the sailor. "Get undressed . . ."

Cheyenne took real good care of him. She sucked his dick, for starters. Kneeling before him while he sat on the edge of the bed, she devoured his prick. Her lips glided up and down the sailor's shaft, priming him expertly for forthcoming fun. I unzipped my pants and freed my cock. Cigarette in one hand, dick in the other, I smoked and stroked.

Things heated up quickly. Cheyenne lay on the bed and spread her legs. She raised her knees, opening herself for a thorough reaming. My view couldn't have been better. I gazed at her pussy, hairy and splayed, in all its pink glory. At least until the sailor's white ass blocked my view. He mounted rather clumsily and started pumping between her legs.

Slow down, kid, I thought. You're going too fast. Way too fast.

And I was right. The sailor lasted all of thirty seconds. He rolled off and sat there staring at the floor. Cheyenne started to get dressed. The sailor didn't like that, didn't like it one bit. His pride was hurt, his ego damaged. He wanted another go. But he didn't want to pay for another go.

"That's not how it works," Cheyenne explained.

The sailor wouldn't take no for an answer. He raised his voice, assumed a threatening posture. Cheyenne told him to leave. He wouldn't leave. She looked at me through the two-way mirror, her eyes imploring me to intervene. I zipped up, extinguished my cigarette, and rushed out of the observation room. I pushed open the other door to find the sailor riffling Cheyenne's clutch.

He was shocked to see me. "Who the hell are you?"

"Put the money back," I told him, "and get the hell out of here."

He mouthed off. I slugged him in the jaw. He would've dropped like a sack of cabbage had I not grabbed hold of his arm. The money was on the floor where he had dropped it. Cheyenne's money. She had earned it, fair and square. I kicked the sailor in the seat of his pants, kicked him out the door.

"Get lost, kid. And don't come back . . ."

I collected the money and handed it to Cheyenne. She stowed the bills in her clutch. "Thank you . . ."

"You're welcome," I told her. Then, "I'm sorry that

happened."

"It goes with the territory."

"Sure."

I searched her face. She searched mine. I knew next to nothing about her. Working girl. Young, yet experienced. Good at her job. Damned good. The best girl we had. The others could learn a lot from Cheyenne.

"Do you like watching me?" she asked bluntly.

"That's a stupid question," I told her.

"Is it?"

"Most men would kill for my job."

"I'm flattered."

"It's true."

"Can I repay you?"

"You can do whatever you like."

"In that case . . ."

She had managed to put on her panties and bra before the sailor had lost his cool. Now she shucked them and sat on the bed. I couldn't get out of my clothes fast enough. Standing there, my rigid tool in hand, I watched her lean back and spread her legs. Cheyenne played with herself, rubbing her hairy pussy with one hand while kneading her tits with the other. She had a nice set of knockers. Her nipples were stiffer than a corpse at the city morgue.

"I've been wanting to do this for a long time," I confessed, stroking my cock slowly. "Observing you through

that glass over there—well, it tends to make a man hot and bothered . . .”

She chuckled at the expression. “I’m glad.”

“You’re a real asset, Cheyenne. This is an important assignment. The agency is lucky to have you. Our nation’s security depends on—”

“Shhhhhhh.” She pressed a finger to her lips. “Enough talk.”

Cheyenne didn’t have to tell me twice. I moved between her legs. She grasped my prick and guided it inside her. Perfect fit. Her cunt, hot and wet, clenched me in its tight embrace. As a working girl she had taken plenty of cock. Still, her snatch was nice and snug. No wonder the inexperienced sailor had come so fast. Cheyenne was more woman, way more, than the kid could handle.

I proceeded to thrust, moving my hips at a measured pace, a sensible place. I wanted to enjoy her, wanted to savor her luscious body. And, of course, I wanted her to get off. I had read in a men’s sweat magazine that working girls rarely, if ever, climax when having sex with men. They rely on masturbation, or a female partner—usually a fellow prostitute—to get their orgasmic jollies.

I was determined to prove the article wrong.

Raising her knees like she had done with the sailor, she moved beneath me, establishing a wondrous rhythm with her shapely hips. She sighed dreamily, sighed and moaned and groaned. This turned me on something fierce. I thrust faster, harder, giving her every inch of my turgid manhood.

Moments later, both of us desirous of variety, we switched things up. I lay on the bed while Cheyenne straddled me. Employing her hand, the same one she had used to play with herself, she guided me inside her. Skewered on my rock-hard rod, she rode me in earnest. Bucking and gyrating, her jugs bouncing, she worked up to a feverish pitch.

“Yes! Yes! Ohhhhhhhhhhhhhhhhhhh!” Cheyenne cried crazily, getting closer and closer to the precipice.

Holding her waist with both hands, my fingers digging into her supple flesh, I marveled at her excitement. It wouldn’t be long. I focused mightily on going the distance. Her pleasure was first and foremost. Only after making Cheyenne come could I surrender to my own selfish needs.

No sooner had this thought bloomed in my mind than she did just that. Unleashing a shrill wail, her pussy leaking around my dick, she twitched and shuddered in the throes of a squirting orgasm. Spent, she fell forward. Her soft tits pressed to my chest, her lips crushed to my neck, she breathed raggedly like a runner after a lengthy race.

Still gripping Cheyenne’s waist, her breath hot on my skin, I willed myself to hold out just a little while longer.

“Did you come?” she muttered.

“Not yet. I was hoping you could finish me with your

mouth.”

She climbed off me and devoured my cock. Cheyenne gave good head, real good. Grunting, I exploded in her mouth. She swallowed my load.

“Thanks again,” she said after we had gotten dressed. “That sailor was a real loose cannon.”

“Don’t mention it,” I told her. “And thank you, Cheyenne. I had a wonderful time.”

Feeling better than I had in months, I returned to the observation room to finish my workday. I opened the door to the uproarious applause of my fellow CIA

agents. They hollered and whooped and whistled. Hell, they even gave me a standing ovation.

Framed in the doorway, I smiled good-naturedly. They had congregated in the room and watched the whole thing. I had never been so embarrassed in my life. Heat flooded my face.

“Bunch of perverts,” I told them. “You guys ought to be ashamed of yourselves . . .”

Turns out I was the first agent to boff one of the girls. My liaison with Cheyenne opened the floodgates, so to speak. Banging the help became standard practice among agents. Hell, we even started dropping acid.

It wasn’t long before Operation Midnight Climax devolved into a hedonistic romp devoid of any research and/or intelligence-gathering value.

Compliments of the American taxpayer!

My friend Alan is a real cut-up. He always knows how to make me laugh. He also knows how to make me cum. He has a beautiful eight-inch cock and that helps him make me cum. While it doesn't all fit in my mouth, it fits my pussy.

THE MAN CAVE

GUY TALK

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

"We're in hot water," I told Sid.

He nodded in stoic acceptance of the email I had just read out loud. Arms crossed, he stood there in my drab corporate cubicle on a Monday morning. What a way to start the workweek! Bad news. Real bad. The both of us had been summoned to Human Resources. Somebody had filed a complaint accusing us of using "inappropriate language" in the workplace.

"I wonder who it was?" Sid asked.

"Had to be a millennial." I leaned back in my ergonomically designed chair. "Or a Gen Z. They're awfully sensitive. One of them must've overheard us jawing in the breakroom."

By "jawing" I meant swapping stories of our sexual

conquests. Guy talk. Locker room banter. No big deal. Until now . . .

Sid sat on the edge of my desk. "I can't believe this."

"Come on, man," I said. "We don't want to be late."

Neither of us said a word in the elevator, nor in the waiting area outside Paula Crane's office. Her secretary was young, fresh out of college, the type who would have been offended by archaic guy talk. She made me feel old and outdated, made me feel on the brink of being put out to pasture. Which was silly. Hell, I was only forty years old. Sid was forty-two. We had many productive years remaining.

If we didn't get fired . . .

We waited for a good fifteen minutes before Paula Crane emerged from her inner sanctum. Framed in the doorway, the HR manager cut an imposing figure. She stood tall and erect, her blonde hair chopped short like a man's. Stepping aside, she ushered us into her office then closed the door. Sid and I claimed a pair of comfy chairs in front of her desk. Once seated, she got right to the point . . .

"Last week both of you were overheard using extremely sexist language in the breakroom." She peered at her notes and proceeded to rattle off a string of vulgar slang words.

"The modern corporate workplace," she went on, "is hardly the environment for such foul banter. Times have changed. I shouldn't have to tell you this."

Sid and I both apologized, telling her that it would never happen again. Paula Crane seemed unimpressed, even going so far as to tell us that we were in danger of losing our jobs. I shifted uncomfortably and tried to remain calm.

"Now wait a minute," Sid spoke up. "That's a bit harsh, don't you think? We didn't know another person was in earshot of our conversation. Had we been aware of this—"

"Pussy . . . cunt . . . twat," Paula Crane read from her notes, enunciating each word for full effect.

Then she burst into raucous laughter!

Her sudden about-face threw me for a serious loop. I glanced at Sid. He looked equally bewildered. What in the hell was going on here? Our confusion continued when the statuesque personnel professional got up from behind her desk and said, "Would you like to see mine?"

"Excuse me?" Sid uttered.

"Pussy . . . cunt . . . twat," she stated matter-of-factly. "Mine is tight and wet and ready for some cock."

No sooner had the words left Paula Crane's mouth than she unbuttoned her blouse, removed a lacy black bra, and deposited her shapely bum on the desktop. Her fashionable pumps hit the carpeted floor, drawing attention to her dangling feet. Seeing my interest, she raised the left one and wiggled her toes playfully.

Unable to contain myself, I raised the hem of her black skirt above her hips, exposing a pair of panties which matched her bra. I ripped the lacy garment from her body. She gasped with excitement and spread her legs . . .

Her sudden about-face threw me for a serious loop. I glanced at Sid. He looked equally bewildered. What in the hell was going on here?

I took her, plunging my cock inside that tight and wet pussy of hers. Paula Crane lay there atop the desk, her ample tits bouncing in sync with my forceful thrusts. Having dropped his drawers, Sid positioned himself beside the desk so that she could suck his cock while I pounded her pussy.

My gaze oscillating between her pumping head and warbling tits, I fucked her none too gently, reaming her hot hole with everything I had. It wasn't long before Sid cried out and withdrew; he dumped his load all over her face. I lasted about a minute longer, then pulled out and coated her taut tummy with a sizable sample of hot jizz.

We were getting ready to leave her office when Paula Crane surprised us yet again; turns out she was the one who had overheard our "inappropriate conversation" in the breakroom. "Your politically incorrect, old-fashioned guy talk really turned me on . . ."

Boy, did it ever!

Cathy & Shery

Shery and I have an intimate relationship ourselves, so we were okay with guys joining us. It was a fantasy of ours and now it's become a reality. I want to feel one in my mouth while my pussy gets fucked by the other. And then to have both my ass and pussy fucked. I'm sure Shery feels the same, but she can't tell me because she has the other cock in her mouth.

We had the time of my life and think our pussies and asses are still smoking from all the pounding they received. We'll probably take a break for a day and then get ready for some other guys cumming over this weekend.
